PRESENTATION

**DEAR TEACHER OF RECIFE'S MUNICIPAL
EDUCATION SYSTEM:**

**WELCOME TO OUR VIRTUAL FORMATION
SESSION!**

As EFL teachers, we know that the more students are exposed to language input/intake the more they will improve and develop language learning.

So, taking into account that we just have a mere 50/100-minute class interaction with our students weekly, then thinking about PODCASTS as an extra alternative would be a great idea to encourage them to incorporate more English into their lives outside the classroom. With podcasts, learners can engage with topics they are interested in.

PRESENTATION

So, in this session, we will focus on The motivational benefits and effectiveness of “the use of podcasts in the EFL classroom.

Thus, we are making students’ learning more effective and enjoyable.

Good studies!

OBJETIVO DA FORMAÇÃO
