# PRESENTATION

Dear Friends, here we are, once more, starting a new semester. Again, we face new challenges in our everyday classes... But, together, as a team, we are stronger! We can overcome any difficulties!

Along the semester, we'll be reading, debating, watching and listening to highly experienced and qualified Second and Foreign Language Teachers Educators, exchanging wisdom and teaching experiences, making of our formative meetings a renewal in our pedagogical practice.

# PRESENTATION

All over the world, the learning process has been deeply affected by the pandemic. Thus, we need to be sensitive and creative to think about our students' lacks. Our educational efforts need, straightforwardly, to respond to our students confidence, motivation and self-esteem in the learning process. We need to rebuild a new learning atmosphere, giving it a new format, to meet our students' need.

# PRESENTATION

This semester, our studies will focus on the teaching of the Reading Ability in EFL classroom. So, the need of revisiting Reading Theories, approaches and techniques will be very useful to help us plan our classes and design motivating and effective exercises to boost students' reading comprehension and to make Reading a pleasant and joyful task..

We wish you all a pleasant study and hope you and all yours are well.

Good studies!

Think about and let's discuss in our online meeting!

Escola de Formação de Educadores do Recife  
Professor Paulo Freire

# For your classrooms...

**What if we articulate the discussions here with a practical activity?**

**Do your students find it challenging reading and understanding texts in English?**

**Based on the readings and previous discussions, how can you help them better, from now on?**

➤ **Talk to them about Reading topics that can be motivating to them. Make a list and include in you lesson plans.**
